Secretary's Report – 2012 AGM

I can report that over this financial year, the Committee of 11 elected members has met on 11 occasions and it has functioned well as a team, with great strength coming from individual skills and good teamwork. We have had a number of members visit the monthly Committee meetings over the year as well. Part way through the year, 2 more Committee members were co-opted onto the Committee - Ian Hughes and Paul Fildes

We will sadly be saying farewell to Sudhi Bhattecharjee and Danny Cawdron who are leaving their Committee posts this evening, and we thank them for their hard work over the past years. We look forward to continuing to work with them on a member level though.

The Group Annual report has been completed and sent to Head Office and the Charity Commission return has also been completed. Contact with IAM House has been constant and we have a good relationship with key personnel. Our region 5 officer, Ian Marginson has been away from post for some months this year, due to ill health, but he is now active again and contact has been reinstated.

We have sent representatives to some of the Region 5 meetings, which are held three times a year at Christleton, Chester.

We have also attended the Annual National Car Conference this last weekend, which was very informative.
