

Crewe and Nantwich Advanced Motorists

Secretary's Report - 2011

I can report that over this financial year, the Committee of 12 elected members has met on 11 occasions and it has functioned well as a team, with great strength coming from individual skills and good teamwork. We have had a number of members visit the monthly Committee meetings over the year as well.

We will sadly be saying farewell to Ian Hughes and Rachel Mackay Miller who are leaving their Committee posts this evening, and we thank them for their hard work over the past years. We look forward to continuing to work with them on a Senior Observer and member level though.

The Group Annual report has been completed and sent to Head Office and the Charity Commission return has also been completed. Contact with IAM House has been constant and we have a good relationship with key personnel. Our Regional Officer, Angela Linsky, has left during the year and we now keep Ian Marginson, who has taken on Angela's area, up to date with our activities.

We have sent representatives to some of the Region 5 meetings, which are held three times a year at Christleton, Chester.

We have also attended the Region 5 Spring meeting and the Annual National Car Conference (as reported by the Chairman).
